

DAY 1		
8u30	Registration	
9u00	Lecture	Introduction Prediction of the Difficult Airway in all aspects
	Break	
	Lecture	Bag Mask Ventilation
		Extraglottic devices
	Lunch	
	Skill stations	Bag Mask Ventilation
		Extraglottic devices
	Break	
	Lecture	Airway Anatomy
		Laryngoscopy – direct & video
	Skill stations	Direct Laryngoscopy & Endotracheal intubation
		Video Laryngoscopy & Endotracheal intubation
17u00	Closure	

DAY 2		
8u30	Registration	
9u00	Skill Stations	SALAD (Suction Assisted Laryngoscopy Airway Decontamination) Surgical Airway
	Break	
	Lecture	Paediatric Airway Management
		Medication Facilitated Intubation (RSI)
	Lunch	
	Skill stations	Paediatric Airway Management
		Simulation: Scenario training - RSI
	Break	
	Lecture	Ventilators
		Waveform Capnography
	Evaluation	
17u00	Closure
